

Where can you find some of the country's top orthopedic subspecialists? Right Here.

At Orlin & Cohen's new full-service 18,000-square-foot office in Merrick, you'll benefit from:

Outstanding Credentials. Long Island's leading private orthopedic practice, each of our nationally ranked, board-certified and fellowship-trained orthopedists subspecializes so you can be confident your doctor is on top of the latest advances, including minimally invasive and arthroscopic procedures.

Outstanding Capabilities. Our Merrick office features leading-edge diagnostic resources including an orthopedic open MRI and the convenience of an accredited digital fluoroscopy suite staffed by interventional pain subspecialists who help relieve back and neck pain.

Outstanding Care. Our subspecialists work with our physician-led physical therapy, occupational therapy and diagnostic testing staff to bring you the best in comprehensive care – and the utmost in convenience.

Call 516.536.2800 to schedule an appointment.

Merrick Office: 1728 Sunrise Highway just east of Meadowbrook Parkway
Other conveniently located offices in Rockville Centre, Cedarhurst and Bohemia.
